FAMILY NIGHT

at the Shrine

FRIDAY, MARCH 11, 1938

An evening's fun for yourself and the entire family

You are requested to bring an admittance fee in the form of a package of non-perishable food—one can of corn or a can of soup; a peck of potatoes or a bag of onions; a package of oatmeal or a bottle of pickles, etc., etc.

In other words, the price of admission is a parcel of food, and this will all be sent to the Chicago Unit, Shriners' Hospitals for Crippled Children.

Bring your next-door friend and his family too.

There should be no need to "boost this event" as this is one of the big days of the year—our chance to help those who can't help themselves, and to top it all you'll see a real entertainment.

Of course you will show your 1938 Shrine Card at the Outer Gates. It will admit yourself and Guests.

Come early—No reserved seats
